How to get any girl attracted towards you

Some men just seem to have the natural gift of knowing ways to attract a girl. It may seem that they have some genetic advantage over the average guy, but I'm here to tell you they don't. What if I told you these guy using learned skills to attract women, which you can easily learn, too. Here are 4 sure-fire ways to be a girl magnet, and you can learn them, too.

Be Social

Make a habit of socializing with everyone, especially those of higher social status than you. Women are attracted to men of high social standing. Be social at every party or event you attend. Girls will feel naturally drawn to you if you seem popular.

Southern Charm

You don't have to be brought up in the south to know how to be gentlemen. Open the door for her, pull out her chair, and pay for dinner. Do it because you respect her. Every woman is still looking for her prince charming.

Get Unique

Do you want to know a little secret? Women are tired of the same old surprises. Yes, they swoon and act very happy when you deliver them flowers or candy. But at the heart of every girl there is a longing for a spontaneous man to sweep her off her feet. Find out what she really likes. Do a little research and impress her with something she never would have suspected.

Be Different

There is certain intrigue of a man who is different. Girls are naturally curious as to why, and they have a certain urge to try and capture his attention. Don't be overly fazed if a woman is exceptionally beautiful. Show an interest, but don't fall head over heels for her. She will be attracted to you out of sheer curiosity, wanting to know why you are not oeing and awing over her looks like so many other men.
